

## » Hall A and Hall B

### Inaugural Address

0900 to 0930 **A National Center of Excellence for Simulation to secure the principles of Mainstreaming of Simulation**  
*Dr. Purva Makani, UK*

### Keynote Address

0915 to 0930 *Prof. Shiva Kant Mishra, NBE, INDIA*

### Presidential Address

0930 to 0945 *Dr. Ganni Bhaskara Rao, SHS*

### Affiliate Address - PEDISTARS

0945 to 1015 *Dr. Ebor Jacobs, President*

### Prof. J.J. Jakimowicz Oration

1015 to 1045 *Dr. Michal Pirozynski, Netherlands*

### Panel Discussion

1100 to 1200 **Getting more Reach for your simulation center**  
*Moderator - Dr. Sanket Patil*  
*Panelists - Dr. Pravin Kotwal, Lance Bailey, Dr. Muralidharan M*

### Plenary

<p>1200 to 1230 <b>Role of Faculty Development in Distance Simulation</b> <i>Dr. Maria Bajwa, Dr Rami Ahmed, USA</i></p>	<p><b>Lessons from Crew Resource Management in Aviation to the Critical Resource Management in Health Care,</b> <i>Capt Marc Lathouwers</i></p>
--	---

### Mainstreaming of Digital Simulation

*Dr. Todd Chang*

### Scenario Building Essentials: Designing a simulation scenario

*Ms. Meghana Sudhir*

0900 to 0930

### Interprofessional Debriefing in Simulation

*Dr. Benjamin Berg, USA*

TBA

*Dr. John Paige*

0930 to 1000

### Translating Simulation Of Pocus To The Practice Of Acute Medicine Upper Case To Lower Case

*Dr. Sahana G*

1000 to 1030

### Convincing Hospital Management to Embrace Simulation

*Dr. Michael Shepherd, Newzealand*

1030 to 1100

### Debate

#### Cold Debrief Vs. Hot Debrief

*Dr. Vijayanand Jamalpuri, Dr. Ranjith Gunda - PEDISTARS*

1100 to 1130

### Professional and personal branding for sim professionals

*Ms. Ansari Shabnam Ateeq, Healthcare Simulation Middle East*

1130 to 1200

### Mainstream integration of SPs as a simulation modality

*Dr. Stella C. Major, Qatar*

### Utilization of Acute Event clinical debriefing in system improvement: Data from the tertiary care center

*Dr. Jabeen Fayaz, Canada*

1200 to 1230

# Dec 10

### Affiliate Address - ASPiH UK

1230 to 1300

### Simulation based education and Human factor masterclasses

1400 to 1430 *Dr. Ratna Makker*

### Optimizing Skill & Simulation Centre

1430 to 1500 *Dr. Archana S, JSS Mysore, Laerdal, India*

### SIM Stories

1500 to 1600 *Stories from around the world*

### Expo and Stall Visits

1600 to 1700

# Dec 11

### Evaluation of Simulation Facilitators

*Dr. Kimberly Leighton, Qatar*

1230 to 1300

### Simulation and its Translation into Quality improvement in Healthcare

*Dr. Paul O' Connor*

1400 to 1430

### Poster Presentation

1430 to 1530

### Vote of Thanks

1530 to 1600

# SIMULCON india

— 4<sup>TH</sup> NATIONAL SIMULATION CONFERENCE —

## HALL C

11:00 to 11:30	Inaugural Address <b>Dr. Ashok Dhoble</b> Hon. Sec. General, Indian Dental Assoc., H.O. MUMBAI
11:30 to 12:00	<b>Simulation integrated digital Dentistry - Holistic Approach</b> <i>Dr. Priyanka Reddy, MDS(Endo), Reader, GSLDC</i>
12:00 to 12:30	<b>BASICS - A tested and proven Sim Intervention for the Dental Interns and PGs</b> <i>Dr. D. Srikanth, MDS, OMFS, Professor, GSLDC</i>
12:45 to 13:30	<b>Dynamic Navigation in Implantology - the way forward</b> <i>Dr. Nisha Shetty, Consultant OMFS and Implantology</i> LUNCH
14:00 to 14:30	<b>Augmented Reality 2.0 - Digital Dentistry</b> <i>Dr. Pankaj chivte, Founder- President of ISDD</i>
14:30 to 15:00	<b>Digital Dentistry: The New Age approach to Dentistry</b> <i>Dr Ratnadeep Jadhav, Founder - Secretary of ISDD</i>
15:00 to 15:30	<b>Digitization in Implantology</b> <i>Dr. Rahul Manhar Shah, MDS, OMFS,</i>
15:30 to 16:00	<b>Digital Simulation: Bridging the gap, or widening the divide?</b> <i>Dr. Clement Seeballuck, University of Dundee</i> BREAK
16:30 to 17:00	<b>Advances in 3D digital tech in Craniofacial morphometrics in Dundee</b> <i>Dr. Peter A Mossey, University of Dundee</i>
17:30 to 18:00	<b>Expo and Stall Visits</b>

## Simulation in Dentistry

DEC 10
